

HOW TO TAKE A BATH IN JAPAN

1. Take off your clothes in the changing room and put clothes in the basket.
2. Enter the bathroom with a small towel and your amenities.
3. Before getting in the bathtub, rinse or wash body

4. Get in the bathtub. Relax and enjoy!
Please keep your towel out of the bathtub.

5. Get out of the bathtub and wash your body or hair in front of the faucet.
It should be done outside of the bathtub.
Rinse off soap and shampoo well before you get in the tub again.
6. Rinse your body with tap water in front of faucet.
Dry your body with your small towel before you enter the changing room.
7. Dry your body with your bath towel and dress in the changing room.
